The image shows a screenshot of the ZIPBOX MEDIA website's upload interface. The form is titled "ZIPBOX MEDIA" and includes the following fields and options:

- File:** A button labeled "Select a File".
- Title:** A text input field containing "Songs for Granny".
- Price:** A text input field containing ".99" and a dropdown menu set to "US dollars".
- Explicit:** A checkbox labeled "This file contains explicit material", which is currently unchecked.
- Type of Media:** A dropdown menu set to "Music".
- Genre:** A dropdown menu set to "Jazz".
- Sub Genre:** A dropdown menu set to "Jazz+Funk".
- ISRC:** Two radio buttons: "Assign an ISRC # to my song" (unchecked) and "Use my ISRC #" (checked). A text input field is present next to the second option.
- Artist / Creator:** A dropdown menu set to "Cameron".
- Copyright:** A text input field.
- Release Date:** A date selector showing "Apr 7 2010".
- Keywords:** A text input field.
- Agree:** A checkbox labeled "I own all rights to sell and distribute the file I am uploading.", which is checked.
- Upload File:** A button at the bottom of the form.

## Sell your music online with

ZIPBOX Media. Own and control the music we store on our secure servers. Your customers then purchase and download files through our browser-based, protected downloader.

Within your store's administrator you can add and rearrange songs and albums at will. You can set your prices and change them at any time.

You are not limited to music. You can add text, images or any other type of media to add value and make more sales. With ZIPBOX Media, **It's Your Music.**

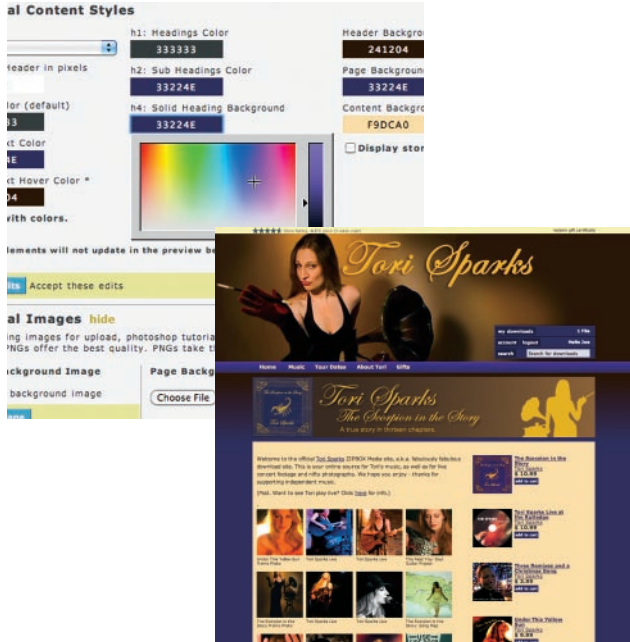

## It's your **sales**.

ZIPBOX Media reports music sales to Nielsen's SoundScan™ so Billboard Magazine will capture your sales figures. We provide UPC and ISRC codes as a part of your subscription.

Powerful promotional tools are available to link products both inside, and outside your store. Embed codes from other online services like YouTube and Facebook.

ZIPBOX Media: **It's Your Distribution Solution.**

A screenshot of a web form for music distribution. The form includes a dropdown menu for "Type of media" set to "Music", a checked checkbox for "Christian Music?", a dropdown for "Main Category" with "NO SUB CATEG" visible, and three radio button options: "No UPC", "Generate ZIPBOX UPC", and "Enter My UPC" (which is selected). Below these are two input fields: "My Universal Product Code" and "My Label Abbreviation".

**Control your site** with our content management system. The ZIPBOX Media "CMS" allows you to design and populate your site however you wish.

Your store will have its own unique hostname that is considered a stand-alone site by search engines like Google. For example, *yourstore.zipboxmedia.com* could be your store's location.

If you own a domain name we will host your site on that domain at no extra charge, because **It's Your Site.**

## It's Your Money

and ZIPBOX Media makes it easy to control, collect and obtain the money you earn. **Set and change the prices** of your songs and albums at anytime.

Songs can be as little as .68¢ per download and albums as little as \$3.99. Track your sales in real-time and know what sold at what price instantly.

Your revenue is 75% of everything you sell with ZIPBOX Media because **It's Your Money.**

A screenshot of the ZIPBOX Media interface. It shows a list of songs with their current prices. Each song entry includes a red 'X' icon, a pencil icon, the song title, and the price. The songs listed are 'Tall Towers \$ 0.99', 'Blue Tattoo \$ 0.99', 'Penny On A Rail \$ 0.99', and 'Days and Days and Night'. Below the list, there is a section titled 'Change all prices in this' followed by a text input field for 'New Price for All \$'. At the bottom of this section, there is a blue button labeled 'Change All Prices' and a yellow button labeled 'Click to accept'.

		Tall Towers	\$ 0.99
		Blue Tattoo	\$ 0.99
		Penny On A Rail	\$ 0.99
		Days and Days and Night
